# ATTENTION RESIDENTS!

## Please Follow Our Mowing Guidelines

To keep our neighborhoods looking their best, we kindly ask you to adhere to the following:

- **Mow Regularly:** Grass should be kept at a height of no more than **8"** to reduce the spread of weeds and insects. Not doing so will result in a fine and the City mowing the lawn at the homeowners expense. *Per City Code Chapter 154, Section 154.03.*
- **Right of Ways:** ROWs are the responsibility of the abutting property owner. Please maintain them. *Per City Code Chapter 135, Section 154.10-11.*
- **Dispose of Clippings Properly:** Please bag your grass clippings or use a mulching mower. It is against city ordinance to blow them onto the roadways. *Per City Code Chapter 135, Section 135.03*
- **Maintain Edges:** Please keep sidewalks, driveways, and curbs free of over-grown grass and weeds.

*Let's work together to create  
a beautiful and welcoming community!*

*Thank you for your cooperation!*
